THE L 4:12
STUDIOS

The Eph4:12 Studios is a faith-based, strategy-driven digital media and technology company that supports ministers of the gospel of Jesus Christ, their ministries, and other faith-based organizations in spreading the gospel to the world, per **Mark 16:15**.

We believe that every **ministry** has been sent by God with a unique **message** for the body of Christ globally, and our **vision** is to innovatively and strategically help leverage technology to take that message to the world.

We are a **team** of high-performing professionals who are deeply committed to the ministry of reconciliation. We bring to the body of Christ decades of industry experience in our respective fields working with top companies in the media and technology spaces.

The Eph 4:12 Studios' services take it root from **Deuteronomy 6: 6-9**

6 “And these words which I command you today shall be in your heart. 7 You shall **teach** them diligently to your children, and shall **talk** of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up. 8 You shall **bind** them as a sign on your hand, and they shall be as frontlets between your eyes. 9 You shall **write** them on the doorposts of your house and on your gates.”

MINISTRY MATERIALS

One Sermon, many Vessels

The Eph 4:12 Studios' Ministry Materials services turns one sermon into many different channels through which a congregation is blessed, equipped, built-up and perfected.

We believe that every sermon is inspired by God and the message God has for His people in every season can be communicated through many channels beyond the pulpit: over and over again.

Our Ministry Materials service begins with our **Sermon Transcription Services** (\$1.50/ audio minute). These sermon transcripts serve as the vine for many branches.
